## DR. SWAYNE'S

Compound Syrup of Wild Cherry.

Dr. Swayne-Dr. Sir. I feel it a debt of gratitude due you - and a duty to the afflicted generally - to January 31st \$1036 offer my humble testimony in favor of your Compound Syrup of Prunus Virginia, alias Wild Cher- In since ? ry, or rather of its medicinal virtues. Some three lst Feo. years since I was violently attacked with cold and inflummation of the lungs, which was accompanied with a very distressing cough, pain in the breast and head, a very considerable discharge of offensive mucus from the lungs, frequent from them especially upon changes of weather however slight. At first, I felt no alarm about my condition, but was pretty soon convinced, that I was rapidly go ing into consumption; I grew daily weaker, and at length, was scarcely able to walk about, or and am still against those coming out of the hands &c. &c. with purchased of Dr. Shaw, one of your Agous, Medicines, ever offered to the public. a few bottles and commenced its use. My disease The above medicines are for sale in Princess at this time, was of 20 or 24 months standing, street, near Rankin & Martin's Auction and Comconsequently was deeply seated. It therefore, fe- mission Store, at wholesale and retail, quired time and a number of bottles to effect a care in my esse; I found, however, considerable relief from the use of the first 4 or 5 bottles. But being a public speaker, I frequently attempted to preach with my increasing strength and health, and thereby ruptured those vessels that had already began to heal; in this way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently I had to use 12 or 15 bottles before I was perfectly restored. I have no question a much smaller number of bottles would have made me sound but for the above indiscretion. The surup allayed the feverish habit, done away the distressing cough, put a stop to the discourge of matter from the lungs, and gave them, and theen tire system, good health. Thanks be to God, who is the source of all health, and to Dr. Swayne for it. I would recommend this Syrup to all persons who may be effected with colds, cough or consumption. I verily believe, it will cure consumption in the first and second stages, and in the last, will give ease and prolong life. It is an excellent medicine in cases of whooping cough, and is so very pleasant to the taste, that children will cry for it. I have deferred offering this Certificate till now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well. I offer it with pleasure. Duplin County N. C. 7 J. P. JORDAN.
